Forecast For West Midlands
Issued by Met Office Exeter
at 0400 on Friday 02 Jul 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Sunny spells and feeling warm, with perhaps a shower.

Today:
A dry start with sunny spells through the morning. Some patchy cloud arising into the afternoon bringing the risk of catching an isolated heavy shower. Feeling very warm in the sunshine. Maximum temperature 24 deg C (75 deg F).

Tonight:
Any daytime showers gradually easing into the evening, with some late spells of sunshine. Overnight, cloud increases from the southwest bringing showery outbreaks of rain, at times heavy later on. Minimum temperature 12 deg C (54 deg F).

Saturday:
A cloudy start with outbreaks of showery rain at times through the morning. Sunny spells developing through the afternoon, with isolated and perhaps heavy, thundery showers. Feeling warm. Maximum temperature 22 deg C (72 deg F).

Outlook for Sunday to Tuesday:
Sunny spells with heavy and perhaps thundery showers on Sunday. Increasing cloud and cooler on Monday with heavy rain later. Blustery on Tuesday with sunny spells and scattered showers.
